

# Panavision On Cue

February 2011 Newsletter for the Panavision Group

## 'Timing is everything' just as true for Spielberg's Terra Nova

Timing is everything and so it was for the new Spielberg high concept sci-fi drama series, Terra Nova, piloted in Queensland last year. The series finished principal shooting in November, 2010 beating the floods by several weeks. Clever scheduling played a big part in meeting the demands of a challenging storyline. A post-apocalyptic tale of Planet Earth - suffering from pollution, over-population, resource depletion and so on in the year 2149... [click to read full article](#)

## Easier online ordering at the **NEW** John Barry website

The team at John Barry have been busy updating their website with a fresh new look and great new features.

Updates to include online payment facilities, You Tube LLC video for product demos, new links to useful industry information, including Manfrotto's School of Xcellence. New products have been added such as GoPro HD Hero cameras and accessories, Sony PMW-F3 CineAlta and Panasonic AF-100 Micro 4/3rd camera. We've also added a 'Clearance' page, which is a good place to find a bargain.

Be sure to check out our new site [www.johnbarry.com.au](http://www.johnbarry.com.au) and become a Facebook friend or follow us on Twitter to stay in touch with the latest news and specials.
