South Solitary

Anna Howard's film resume has the perfect mix of solid 'apprenticeship' items going back fifteen years of shooting everything from short films through to commercials, series, docs and telemovies, as well as features. [...read more](#)

Anna Howard in the lantern room of the Cape Nelson Lighthouse

'Animal Kingdom' DOP praised by critics

One of the most talked about films this year has been David Michôd's 'Animal Kingdom' notable for being the Winner - World Cinema Jury Prize: Dramatic, Sundance Film Festival 2010. [...read more](#)

Adam Arkapaw

New Canon professional video cameras impress industry reps

Canon has just launched the latest in their professional video camera range – the XF305 and XF300. They are the industry's first professional digital video cameras that record directly to compact flash cards and their features have already impressed those lucky enough to get their hands on the first few to arrive in the country.
